

NAFS

North American Fenestration Standard

Often referred to as a Harmonized Standard comes into effect for Windows and Doors installed from December 20th, 2013 in British Columbia. Windows and doors must be tested and rated for conformance to NAFS 08 and the Canadian Supplement to meet the 2012 BC Building Code for all new construction and renovations that require a permit.

PRODUCTS AFFECTED:
EXTERIOR DOORS - WINDOWS - SKYLIGHTS

WHEN:
STARTING DECEMBER 20th, 2013.

WHERE:
ALL PROJECTS REQUIRING A BUILDING PERMIT.

WHY:
TO ENSURE ALL EXTERIOR DOORS AND WINDOWS MEET MINIMUM REQUIREMENTS FOR BOTH AIR AND WATER PENETRATION.

WHO:
DICK'S LUMBER, THROUGH OUR OWN DOOR PLANT CAN SUPPLY NAFS COMPLIANT EXTERIOR DOORS.
