WE ARE OPEN FOR BUSINESS

- Your safety and health are our primary concern.
- With that said we are **OPEN FOR BUSINESS**.
- However, we will be making changes to better serve our customers in this time of uncertainty:
 - To practice social distancing, our outside sales teams will work remotely.
 - We are temporarily closing our doors to walk-in traffic. **In order to continue servicing you, we will take orders over the phone and give them to you at the door when you arrive.**
- Customers are requested to call into the branch to place an order for pickup.
